

MIRACLE[®]

Nitrile Powder Free Examination Gloves

Can a glove be so thin and fit so comfortably on your hand, yet be so unexpectedly strong to provide superior barrier protection?

Can it stretch and flex like a latex glove, yet be 100% latex free?

Can it really be priced competitively with latex and other synthetic gloves, yet not be made of PVC vinyl?

If you are looking for a miracle, here it is.

INNOVATIVE BREAKTHROUGH

Adenna's MIRACLE[®] glove is a thin gauge and light weight nitrile exam glove that is very soft and flexible. It provides an excellent fit and superb tactile sensitivity.

These gloves are packed 200 pieces per box by weight* to save money, the environment and time by refilling less frequently.

*XL size is packed 180 gloves per box by weight.
